

# UNSTOPPABLE CANINE THERA-FIT PROGRAM

Has your dog recently sustained an injury or undergone surgery?

Do you want to give them the greatest chance of a full recovery?

Consider enrolling your pup in our Unstoppable Canine Thera-Fit Program!

## For dogs with an injury or are recovering from surgery.

- \$54 per session OR purchase a package of 10 sessions for a 10% discount
- 30-minute appointment with a Licensed Veterinary Technician which includes: stretching, exercises with or without exercise equipment, cold laser, land treadmill, and massage if applicable.
- Each pet starting in our program will need an initial exam or a recheck exam within 6-12 months with Dr. Browne to participate.

Inquire today for more details about our new Thera-Fit Program.

Send us an e-mail or give our office a call.
