

SILVER PAWS THERA-FIT PROGRAM

Has time started to catch up with your senior dog?
Does your pup have trouble with stairs or wake up a little stiff in the morning?
Consider enrolling your pup in our Silver Paws Thera-Fit Program!

For older arthritic dogs, typically over 10 years of age.

Each session is 30 minutes and can include:

- \$60 per session OR purchase a package of 10 sessions for a 10% discount
- Session with a Veterinary Technician which may include therapeutic stretching, therapeutic exercises with or without exercise equipment, LASER, land treadmill, thermotherapy, cryotherapy, and/or massage if applicable.
- Each pet starting this program will need an initial exam or recheck exam within 6-12 months with Dr. Browne to participate.

Inquire today for more details about our Thera-Fit programs.
