

CROSSFIT CANINE THERA-FIT PROGRAM

Are you looking to improve your pup's performance in their sport?
Do you want to keep them fit and healthy?
Consider enrolling your pup in our CrossFit Canine Thera-Fit Program!

For dogs deemed healthy by Dr. Browne or dogs looking to condition.
Each session is 30 minutes and can include:

- Use of underwater treadmill or land treadmill for conditioning.
- Use of all TVA exercise equipment such as physio disc, peanut, doughnut, trampoline, cones and cavalettis.
- All you need to start is a healthy dog certificate from your rDVM or a quick exam by Dr. Browne.

Inquire today for more details about our Thera-Fit Programs.
